

*Kow Keeper Strap*

## *Stop the CREEP with Sikkema's KOW KEEPER WEB STRAPPING*

- 4" web strapping helps prevent cows creeping and/or crawling thru head to head stalls
- Will help prevent injuries while getting up
- Keeps them in their stall
- Avoids cow aversion that pipe causes
- Adjustable tightener - allows proper tension at any time
- Flexibility; means longer life
- Installs easily
- Very economical
- Much more friendly than pipe
