

Kow Kisser Brisket

Replaces brisket boards

The Kow Kisser...

- the cow friendly freestall restraint
- shatterproof, unlike PVC
- adjustable: vertically and horizontally
- non-bruising, gentle on animals
- available in 20' or 40' lengths
- less expensive and easier to install than other brands
- can be installed to any freestall
- attached without the use of nails or anchors
- made of non deteriorating materials
